

Glo and Glu Replacements

If you've lost a Glo or a Glu, then weep no longer for they are here!

1. Download this document
2. Print it,
3. Cut out your replacement buddies, and
4. Get playing!

If you're feeling creative then why not use the extras to make a short film about their exploits? Or construct a story all about them?

Remember to tag @StoryTrailsUK to share your brilliance!
